

The F4 Mygale in opening F1 Grand Prix

The Life of Formula 4 - July 2017

2016-2017 F4 Nacam Championship

2016-2017 F4 South East Asia Championship

Whilst the enthusiasm of young drivers from Karting for the F4 continues to grow throughout the world, this last category takes on a new dimension this year by becoming the opening event at some of the forthcoming Formula 1 Grand Prix's.

In addition to offering a great show in terms of racing, and attracting young generations' interest in the single-seater series, these events will allow the young drivers of F4 to live their dream more closely by rubbing shoulders with their idols 'a weekend.

More and more countries with F1 drivers want to have F4 championships in order to promote the car to young talent and allow them to acquire their first points for the FIA super license.

Our **F4 Mygale** will therefore be present on October 1st in Sepang in opening of the Grand Prix of Malaysia and on October 29 in Mexico in opening of the Grand Prix of Mexico.
