

The FIA MYGALE F4, car of the "Volant Winfield"

The life of Formula 4 - February 2018

46 years after the first edition in 1972, Frédéric GARCIA and Anne-Charlotte REMY, directors of the Winfield Racing School, organized, a "Volant Winfield" on the Paul Ricard circuit at Castellet from 12 to 14 February.

This new competition follows the pioneering and founding concept of Winfield to discover the next great talents in motorsport.

17 young drivers between the ages of 14 and 17 from 6 different countries competed for 3 days of driving sessions using the **FIA MYGALE F4**.

After some deliberation, the jury, composed of personalities from the world of motorsport, including **Bertrand DECOSTER President of MYGALE**, chose Brazilian Caio Colet to be the winner of the 2018 Volant and will help him launch his career in single-seaters by financing his season in the French FFSA F4 Championship.
