

Successful assessment of the inaugural FIA F4 Mygale championship launched in UK

The life of Formula 4 FIA Mygale - October 2015

The 1st October saw the conclusion of the first ever MSA Formula – Certified by FIA, Powered by Ford EcoBoost championship

After 10 fierce race weekends on the most prestigious British circuits, the final results of the championship were only resolved at the last meeting held on the famous Brands Hatch race circuit over the weekend 10th and 11th October.

The level of competition was particularly high throughout the season with many young and ambitious taking part. Team **Carlin** took most of the honours during the weekend with wins for 15 year old **Lando Norris** who was also crowned champion and **Colton Herta**, son of **Bryan Herta**, **Mygale's North America** distributor.

Lando won the championship for **Carlin** with **Ricky Collard** finishing 2nd for **Arden** and **Colton Herta** 3rd for **Carlin**. Cars run by teams **JHR**, **Double R**, **Fortec** and **SWB** completed the top 10 finishers.

The results of this first championship launched in April are very positive. Young drivers surpassed themselves making the most of the springboard that represents for them this new category of **FIA Formula 4 Mygale** which carries points for access to F1.

See you next year from 2 April 2016 for the second season of the **MSA Formula Championship!**
