On Saturday 17th of May, 2014, in the second round of the US F1600 Formula F Championship series, **Garth Rickards** went third with his **Mygale** car after a highly contested race. Leaders changed on each lap and a few contacts occurred. Rickards led a number of times, but finally fell off the top step of the podium. **Rickards'** Pelfrey teammates **Ayla Agren** and **Augie Lerch** completed the top five, and **Mikhail Goikhberg** followed in seventh for his F1600 debut.

On Sunday 18th of May, 2014, **Mikhail Goikhberg**, who was driving a K-Hill **Mygale** in partnership with Team Pelfrey, ran in the lead pack for 12 green-flag laps and came out first after a battle for the win in last lap.
