

Dunlop MSA Formula FORD Championship of Great Britain Donington Park, 19-20 April 2014, Rounds 4-5-6

Two more wins for Kruger/JTR and first one for Scott/Falcon.

Jayde Kruger added two more victories to his collection of 2014 Dunlop MSA Formula Ford Championship race wins at Donington Park, the South African leading home his team-mate **Sam Brabham** for a JTR 1-2 in fourth round. **Harrison Scott** claimed third for Falcon, with **Connor Mills** in his Meridian Mygale triumphing in the Scholarship class for the first time.

Harrison Scott mastered the tricky wet conditions of fifth round to secure his first win of the short season for the Falcon Motorsport team, but the Essex youngster was denied a second win in the sixth round by mechanical problems. The Donington finale instead fell into the lap of **Jayde Kruger**, Saturday's race victor, to give him win number four and the championship lead.

This round's star driver was 17-year-old rookie **Connor Mills**, who charged through the field in the wet race to claim second place overall, right on Scott's tail, and who then went on to complete a hat-trick of Scholarship class wins.

Max Marshall/JTR went second in sixth round, and **Juan Rosso/Radical Motorsport** completed the podium with two third places in fifth and sixth rounds.

Next rounds in Thruxton on May, 3th-4th.
