### MYGALE returns to Formula 3 !

#### The Life of Formula 3 - October 2017

5 years after winning the Italian Championship title with Ricardo Agostini and JD Motorsport, **MYGALE** returns to Formula 3.

At the last world council, the FIA officially announced the creation of a new Formula 3 championship starting in 2019. In order to consolidate the single-seater pyramid, it will be distinguished by an international series replacing GP3 and a regional series with a more accessible car with 220/240 hp.

Closer to Formula 1 in terms of regulations, safety and philosophy, here are the first sketches of the future **MYGALE** Formula 3 car which is under development and should take to the track in 2018.
