Cota Formula Americas driving experience

The life of Formula 4 - October 2018

Coming up to the next round of the F1 Grand Prix from 19 to 21 October, let's take a look at the Circuit Of The Americas, where you can drive a single seater on the track:

The racing school, which was created on this mythical circuit in May 2017, has already welcomed 250 would-be racers and given them the thrill of driving behind the wheel of a Formula Americas Mygale.

Not a minute to lose during the 90-minute session: after studying the circuit layout, you put on a racing suit and helmet and get behind the wheel of your car. An adrenaline rush guaranteed!
