

## 7th FIA Formula 4 Championship for Mygale!

The Life of Formula 4 - August 2017

The Formula 4 French Championship launched in 2011 by the FFSA (French Automobile Federation) will be FIA certified in 2018 thanks to the supply of Chassis by Mygale, the only Formula 4 French manufacturer approved by the FIA.

Renault 2.0 L engines will equip the 22 F4s that will compete for the various scheduled races in season 2018.

The winner of the season will win the sum of 100,000 Euros HT, points for the FIA super license, integration with the Renault Sport Academy and the possibility of rolling into a higher category the following year.
